PRESIDENT'S MESSAGE

By Mike Jones

Our last ski trip has just come back so our season is now over for our club. Due to the many storms this past month, many ski resorts including some that are close by are still open. Some of you that still feel the need to schuss down the mountain should check what resorts will still be open in April. With cooler temperatures still here, it is hard to believe Spring has arrived and Baseball season is beginning. I am happy that I was able to ski before Christmas and my adventure ended a few weeks ago at Stowe. I believe that our members experience some powder skiing on every trip that went out this year. Let us hope this trend continues next year for our trips.

April will be our last general meeting. This is our annual shrimp and movie night. I will be putting together a slide show and showing a ski film for that night. I am still looking for more ski pictures for our slide show. Call Christopher to order your shrimp, if you are coming to our April meeting.

We are once again having our meetings for the summer beginning in May at the Glory Days Grill in Towson. By that time, we should have a new schedule for next year and in June, you will be able to put deposits on these trips. With new members joining us this past year, I anticipate that trips will once again sell out at the picnic. We will not sanction any trip except the BRSC if all trips are selling well during the summer. Hope you had a good ski season and see you soon. Mike

BSC Telluride Ski Trip -February 2018

Early on the morning of February 10th, 43 fun and happy BSC skiers set out for Telluride, Colorado from BWI to Montrose, Colorado on 2 separate flights accompanied by Trip Leader Joe Herbert (aka Jack Nicholson) and Assistant Trip Leader Eileen Karczmarek (aka Doris Day). The 2 groups met up in Telluride after eventful bus rides due to an abundance of snow falling during the commute to the mountain. The group stayed in the Mountain Village at the Telluride Mountain Lodge, an attractive, modern condo complex nestled between 2 easy to access slopes. Everyone found the pool, hot tubs, restaurant/lounge lobby and den in the main lodge relaxing. The novelty of going into town from the Telluride Mountain Lodge via the ski lift Gondola was a true ski area experience. BSC participants were treated like VIPs on the mountain, in town and at the Telluride Mountain Lodge.

BSC Skiers enjoyed a picturesque Telluride Mountain Tour, a variety of wide trails for all levels to ski on fresh snow and blue sky each day. Each day, the group would meet at a different mountain restaurant (Gorrano Ranch, Big Billie's, Giuseppe's, etc.) for lunch to share stories and compare notes on the different areas they skied that morning. Après Ski every afternoon was centered around the hot tub with adult beverages where we met skiers from the Cincinnati and San Diego Ski Clubs, who also were staying at the Mountain Lodge.

Some of the group enjoyed the Sunday afternoon complimentary beer tasting and live music at Gorrano Ranch on the mountain. The evenings were filled with fun outings in town. Our group enjoyed a first class group dinner in a private room at the highly rated Rustico Ristorante in downtown historic Telluride. We enjoyed a Valentine's Day party at the Elks Club, complete with

a variety of pizzas and salads, catered by the popular Brown Dog Pizza. Everyone received a gift of a box of chocolates, courtesy of Joe and Eileen, as a sweet ending to day.

The Final Run party was held off the slopes in the lobby of the St. Sophia Building at the Telluride Mountain Lodge with plenty of hors d'oeuvres and a variety of adult beverages.

We departed on a bright, sunny day from Montrose, Colorado on February 17th filled with memories of a wonderful time had by all!

The following received awards:

Stowe, Vermont-BRSC Winterfest

In the 3rd season since its reintroduction, Winterfest, formally SKI-O-REE, has become the premier event in the East for the Blue Ridge Ski Council. Kicking off 3 years ago at Lake Placid and last year at Sugarloaf, the event continues to grow. This year at Stowe we had almost 100 participants and 7 clubs from the Council represented. Clubs that participated at Winterfest were Baltimore Ski Club, Columbia Ski Club, Fagowees International-DC, Peninsula Ski Club of VA, Richmond Ski Club and Ski Club of Washington, DC.

Our motor coach departed early Sunday morning on March 4th from the White Marsh Park and Ride and we returned Friday evening, March 9th. Our accommodations and meals at the Commodores Resort were outstanding. Kudos to Carrie Nourjian and the entire Commodores staff as well as Joe Ferrara of Banchi Outdoor Adventures for organizing such a great week for all. A shout out also goes to Mother Nature who treated us to great ski conditions, particularly the 6 to 8 inches of new snow for the last 2 days of the trip.

The BRSC Fun Race was exciting for all participants. Hats off to Jim Curtis, Jocelyn Curtis and DJ Weatherby who placed in the top 3 of their brackets in the race. Although BSC's own Special Olympian, Rusty Buchanan, did not have a chance to race this year due to the weather related cancellation of the Special Olympics at Whitetail, he represented the Club well at Stowe.

A big thank you goes out to all the individual club leaders for their hard work and support to make this year's Winterfest a great success.

If you have not attended the BRSC Winterfest, I would encourage you to put in on your calendar for 2019 when we'll be traveling to Sunday River, Maine. It's a wonderful location, with ski in/ski out accommodations and 8 peaks to enjoy! This has always been a very popular destination with the BSC.

Save the Dates: March 3, 2019 to March 8, 2019.

BRSC Coordinator

THANKS BSC

From MD School for the Blind

Thanks to donations from the Baltimore Ski Club we were able to get wireless helmet headsets. We also were able to order a Go-Pro for the slopes but unfortunately our last ski trip got cancelled. We had to re-schedule early in the month of February due to the “snow and ice days” then we had rescheduled to the last week in February and we got all that rain and the trails we used were mud runs so our last trip got cancelled. But at least we did get good skiing in this year. We also bought 2 helmet headsets that we were able to use with walkie talkies and just used different channels for specific skiers.

Thanks, BSC!

Pam Schirmer, MSB
