## PRESIDENT'S MESSAGE

By Mike Jones

As a trip leader, I try to anticipate the things that could possibly go wrong. I've experienced flight delays, flight cancellations, participant's injuries and problems with lodging but, what happened on my last trip was a first for me. On our way to Belleayre Resort our bus got stuck on the mountain due to icy road conditions. We had to wait two hours for a truck to cinder-sand the road before we could proceed. This has indeed been a crazy winter.

In May, we will be announcing the 2017-2018 ski trip schedule which gives you a little over a month to talk to friends and family and decide on a destination. Then at the club picnic in June, you'll be able to put deposits on these trips. With so many new members, I anticipate that trips will once again sell out at the picnic. All trips are being contracted for the maximum of 42-44 participants so expanding them may not be an option. Membership renewal forms will be sent out mid-May so look for it in your mailbox.

Our April meeting will be our 70<sup>th</sup> anniversary party. I'm putting a slide show together to illustrate our years on the slope. May through August, we will once again have informal meetings. Last year we had them outside at Glory Days Grill and everyone enjoyed them. We are also looking for activities that everyone can enjoy this spring & summer. Contact Christopher Pukalski if there is something you would like the club to do or you would like to lead.

For many of us, this year's ski season is now over. I'm already looking forward to where we'll be skiing next year. Thanks to all who took the online trip destination survey. It really helped to streamline the trip selection process for the trips committee. I'd also like to thank the members of the committee for all of their hard work. I'd especially like to thank Dave Karczmarek (trips director) for the many, many hours spent reading and summarizing contracts, talking to trip wholesalers, and for generally doing a great job running the trips program. Thanks also to Beth Muscedere who graciously lets us meet at her house and even provides food!

I hope you will join us again to go on one of our trips. Spring has arrived and now it's time to start working on the lawn. Hope to see you at our 70<sup>th</sup> anniversary dinner. Mike

## Schweitzer Mountain Feb. 19<sup>th</sup> to Feb. 25<sup>th</sup>

They came from Florida, they came from Georgia, they came from Ohio, they came from Baltimore and one would have come from New Jersey but for an injury (sorry **Anita**, recover quickly and come back next year.) They all came for one thing, to be the first to Ski Schweitzer Mt. with the BSC. **Alan Leberknight** and **Dick Scholle** went out a few days early to ski Red Mt. and Whitewater Ski Resorts. **Jeff McBride** came from a business trip in San Diego for the trip. **Pete Miceli** went out a day early to adjust to western time. **Kris**

**Nicholson** and **Christine Jones** also came in a day early to get an extra day of skiing. **Mark Keenan** brought along the two youngest members of the BSC, his children **Harrison** age eight and daughter **Mary Harper** age five. I had the opportunity to ski some with Mark and Harrison and to all who know Mark and how good a skier he is his son Harrison was right on his butt. Bad news Brian, when Mark hangs up his skis you are gonna have to deal with the next generation of Keenans. I didn't have the chance to ski with Mary Harper as she was in Ski School for the week. I asked her if she is going to be a better skier than her brother and with no hesitation said yes. I see Nastar Medals in their future.

Despite the deviations in flights we all managed to get together at the Welcome Party where a "Loaded Potato" Bar with all the fixings awaited us and new members and old soon became fast friends. Mountain Reps **Matt Hofmann** and **Katie Turner** did the very best job of showing off all Schweitzer had to offer from Ski Clinics to Snowshoe Excursions to a Dinner Excursion into town. I am still verifying the people who took clinics/lessons at Schweitzer but I believe it will be a Ski Club record. Also according to my records **Shirley** and **Stan Wales**, **Deborah LaPointe**, **Sue Royer** and **Jim Tabeling** all did the Snowshoe Excursion. Schweitzer made it easy. If you didn't want to ski a day you could use your ticket for credit for something else, food, gifts or a excursion. The people at Schweitzer didn't plan a Fireworks Celebration just for us but it sure seemed like they did.

On Monday as on Sunday it was snowing and not the best conditions for seeing the beauty of Schweitzer but we had a mountain tour to take and a huge number of people took advantage of having a Mountain Rep showing us around. I took the tour with **Mike Cohen**, **Joe** and **Lynn Breeding**, **John Morris**, **Diana Suguichi** and **Marty Schnuit**. There may have been one or two others in the group but I'm having trouble remembering who I skied with on what days. I did manage to ski at some point with thirty-four of the forty-three participants on this trip. At some point in the afternoon I hooked up with **Art Roerink** and **Dudley Winters** and ended up skiing with them a lot this week.

On Tuesday it again was snowing and overcast but fresh snow is hard to pass up. We had a surprise visit from **Effie Rubinstein** of Sportours who put the trip package together. Effie joined me **Barbara Cowen**, **James Strain**, and Assistant **John Landon** in the group that I skied with in the morning. I never pass up a chance to ski with someone new so in the afternoon I found **Dave**

**McClelland and Cathy Jenkins.** I also skied with Mark Keenan and his son Harrison. Did I tell you how impressed I was seeing Harrison ski. I can only wonder how good I could have been if I had started at that age.

Tuesday night was our BBQ Dinner and a chance to see how people I hadn't seen on the slopes did. **Eileen Karzcmarek** and cousin, **Nancy Valentine** were having a great time as were all the others I talked to.

On Wednesday the snow had stopped and we had sun at different parts of the day and at different elevations also. I started with one group but lost them when I waited for **Gary and Linda Smith** who were hung up on a ski lift. I believe that was the only time I ever saw a lift stop for the entire week. Word of wisdom beware of "Bye Bye" **Beth Muscedere** who waits for no skier. In the evening many from our group, I believe twenty-five in total took the dinner excursion into town. They deliver you to town where you can wander the shops and then stop at the Brewery to sample some craft beers and even take a tour of the beer making process, then off to a nice Italian Dinner and afterwards the return trip to the resort.

On Thursday I again hit a mother lode of people that I hadn't skied with. Sometime in the morning I saw **Laura Brown** on the slopes and she joined the morning group for a run or two. She had fun getting off the Snow Ghost lift. I skipped lunch and hooked up with **Jeff Ellingson, Luann Synder, Randy McMenamin, Joe**

**Mihalovich, Jan Serwint and Linda Alexander** in the afternoon. I even finished the day off skiing a few runs with my wife **Sharon Albaugh**. Yes, my wife and I do sometimes take trips together and yes I do ski with her, but the good wife she is will tell me after a few runs to go ski with the "Big Dawgs" and in return I keep making the Life Insurance payments. The Pizza Party at Taps was a great finish to the day.

I tweaked my knee late Thursday and decided not to ski on Friday. I have a few more trips lined up. We also had a few others who received injuries on this trip, some losing ski days and others pushing thru it. Jeff was the most serious injury dislocating his shoulder. Sue and Eileen got hit by the injury bug as did **Mary Nichols**. Harrison also suffered an injury and his baseball team back home hopes it's not too serious. He is their catcher. I did not have an opportunity to ski with **Don Marsteller** and **Dan VanGelder** but I'm told they were out on the slopes as were the whole group during the week.

I made have messed up who I skied with on what days but never the less I enjoyed skiing with all of the participants I managed to see on the slopes. When my brother and I took a "Fam" trip to Schweitzer last year we came away thinking that this was a place that the club would enjoy. We didn't know what to expect so we set the total at thirty-two and hoped we could get at least twenty. At the picnic which is the first time you could put a deposit down we had thirty-six people give deposits. Working with Effie and Schweitzer we were able to expand the trip to the forty-four. I can't thank Effie, Matt and Katie enough for all the hard work they did to make this trip a success, but without you, the BSC members who took a chance on an "unknown mountain" it would have been for naught. Thanks again for placing your trust in the BSC to deliver a trip that you would be happy with. As our favorite Airline says "We know you have a choice of carriers to deliver you to your destination and we are glad you chose us the BSC to deliver for you.

## Sugarloaf Mountain, Maine

Our trip began at the White Marsh Park & Ride early Sunday morning. We had to repack the bus to make everything fit, but once we did we were on our way. It was a long ride. We switched drivers outside of NYC and then settled in for the longest part of our trip. Movies – including, “Hacksaw Ridge” – helped pass the time. We got into Sugarloaf in the early evening and after checking in we all scattered to get some dinner.

Monday was a beautiful bluebird day. Everyone had a great ski day and it was a great way to start the week. (We saw all types of weather during our week, but that was just Sugarloaf being Sugarloaf.) The outdoor hot tub was large and many of us were there. Later we were feted to a welcome reception at the Widowmaker.

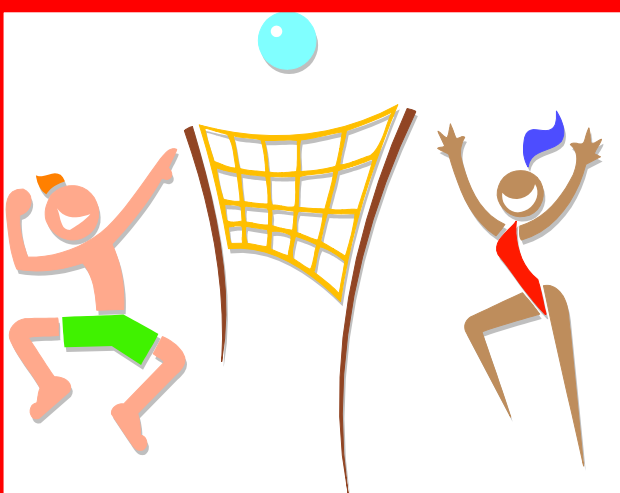

Tuesday was another ski & hot tub day. At the end of the ski day we had an apres ski get together at the Bag & Kettle. It was a great opportunity for trip members to mix and get to know each other as we had several trip participants who had never skied with the club before. We invited the only member of the Pentagon Ski Club to join us. This trip was the BRSC Winter Carnival and members from three of the Blue Ridge clubs were participating. Henry, from Pentagon, was a real charmer and quite popular.

Wednesday couldn't have started more drearily. It was snowy and foggy, but that was just Sugarloaf being Sugarloaf. Around noon the wind shifted and blew all the clouds away and we were blessed with a bluebird afternoon. Wednesday was race day and we did quite well. In the women's division Jocelyn Curtis had the second-best time and Bye-Bye Beth came in third. (BTW, ask Beth to show you the new ski app she has on her cell phone). For the men, John Morris tied for second and DJ Weatherby came in third. All racers could take two runs if they wished, and most did. Dave K was the most improved male skier, shaving almost 4 seconds off his first run time. It should be noted that the times for all concerned were a lot like the times in the Olympics in that the spread from 1<sup>st</sup> to 3<sup>rd</sup> was less than a second.

The award for the, "Cleverest Comment Made During the Race", went to John Wotell. For those of you who don't know John, he's one of our more senior skiers. The race crew was making remarks about how to record John's time when he quipped, "You're going to need a calendar to record my time". Another of our senior stars, Bill Tydings, got the award for the most persistent skier. Nothing – not age, weather, or oxygen – keeps Bill from skiing. That evening we were treated to a BRSC get together for presentation of the racing prizes.

Thursday, it was cold and windy, but that was just Sugarloaf being Sugarloaf. The skiing was still good and we were treated later that day to a farewell get together. Those of us who finished packing early returned to the Widowmaker to hear a Rolling Stones cover band. They weren't exactly Mick and the boys, but with so many people singing along no one cared.

Friday, we had another delicious breakfast – the hotel does that right – and then we went outside to put our cleverly conceived bus-packing plan into effect. It was a winner! On the way home we again watched a number of movies. It's over 600 miles from White Marsh to the Carrabassett Valley, so we had plenty of time. All in all it was a great trip. My thanks to Joe Ferrara of Banchi Outdoor Adventures for putting together a great package for us. My thanks to Dave K for his help and mentoring, and my thanks to all the trip participants who endured two long bus rides – without complaint - and the changeable weather in the Carrabassett Valley. After all, it was just Sugarloaf being Sugarloaf.

## Summer VOLLEYBALL!

*Come join the ski club on Wednesday nights this summer at Oregon Ridge Park. It's a great way to keep those ski legs in shape! We start around 6:45 and play until dark. It's coed and no experience is necessary. Our court is set up on the lawn, so wear a sturdy pair of tennis shoes. First night will be May 10th. Come and join the ski club's longest continuously running activity (other than skiing!).*

*Directions: Beltway to I-83 north to Shawan road (Hunt Valley). Take westbound exit (2<sup>nd</sup> ramp). Turn left at first traffic light (Beaver Dam road/ Cuba road). Stay left on Beaver Dam road approx ¼ mile to park entrance on right.*

Please email me and I will add you to our weekly (in season) notices.

Subject: Letter related to Schweitzer Trip

Hi Eileen,

As I mentioned to you at the pizza party, I have been a member of the Baltimore Ski Club a relatively short time, less than three years. The trip to Schweitzer was my first trip with the club and first ever trip with a large group. My two daughters are married and my wife doesn't ski so most of my ski trips have been solo. Early on in the Schweitzer trip, the long standing friendships and relationships became apparent; however as a new member I felt very welcomed and I appreciated all the warm friendship that was extended to me during the week from " say Randy do you want to ski with us " to the long conversations around the dinner table.

Please extend to all the club members my sincere thank you for making me feel welcome and I look forward to participating in future trips.

Randy

Joe Herbert (below right) ran into long time BSC member Jim Gentry (below left) after Mass at St Patrick's on Broadway—the original Irish Church in Baltimore in Fells Point. Jim Gentry lives at Mercy Ridge Retirement Community, is 90, and skied this year at 7 Springs. It's good to see you looking so well and Green!
