Warren Miller's Movie

Bloopers, Blunders and Bailouts (2004)

**Come get your laughs
watching this hilarious
compilation of the best of
Warren Miller's bloopers.**

Don't miss this slapstick compilation of extreme klutziness and silliness in sundry winter wonderlands. Miller plays host for a feast of archival footage revealing the human body's capacity to bounce and bounce (and bounce) down endless ski runs after a loss of footing.

The question of how many rocks and trees a man can hit before he's broken is never quite resolved, but less agonizing comedy can be found in ordinary mishaps on rope tows and first-time skier panic on gentle bunny runs. Then there's the human impulse to attempt the truly stupid, such as skiing down steep hills of weeds and riding bikes down ski trails.

PRESIDENT'S MESSAGE By Mike Jones

Welcome Fall! The cooler temperatures are a sure indicator that Fall has finally arrived. Now if it would only stop raining every day! The October meeting will feature a 'blast from the past' as we get our laughs watching a hilarious compilation of the best of Warren Miller's bloopers. Warren Miller movies used to be a staple at club meetings. It will be fun to view this "best of" collection.

Also at the October meeting, the general membership will need to approve the Club's revised constitution and bylaws. The executive council is currently reviewing BSC policies to bring them up to date so that they more accurately reflect current procedures and to add changes that were approved but never recorded.

This is the time of the year when ski shops and resorts are gearing up for the winter by bringing in the latest equipment and ski apparel while trying to sell their old stock. This is when you can get good deals on ski items or if you want to get rid of your old stuff at local ski swaps. The Baltimore Ski Club attends these functions promoting our club as well as our trips for the coming year. There will be a list of these events in our newsletter. If you can help us man our table, inform Dave Karczmarek what dates and locations that you can do. We will have the tables, signs and flyers for you to set up.

We still have limited openings on some of our trips. You need to talk to the trip leaders to find out if there are vacancies or if they are going to expand. Thanks to our members, many of our western trips have sold out and are 'wait listed'. You can check with the trip leaders to see where you stand if you are on the wait-list.

Once again, it's time for YOU to tell the trips committee where you want to ski in 2020. A new on-line survey will be out soon. The committee also considers demand because of trips that sold out early and we were not able to accommodate everyone on a wait list.

I will be attending Fall Blue Ridge Ski Council meeting along with Dave Karczmarek and Joe Mihalovich at White Tail Ski Resort. The Blue Ridge Ski Council meets two times a year. We will be choosing vendors for the 2020 trip to Nagano-Hacuba, Japan and Snowmass, Colorado. The Baltimore Ski Club trips committee is penciling in both of these trips for our 2020 trip schedule.

The nominating committee is looking for members to serve as officers and directors. Some of the current board members have committed to running again but there are still openings. Unfortunately, I need to take some time off so I will not be running. Contact the nominating committee if you are interested. Their names and contact information will be in this newsletter.

Enjoy the fall foliage and I will see you at the October meeting, Mike Mike

Baltimore Ski Club Executive Council Meetings are held on the third Wednesday of each month starting at 6:30pm. Business meetings are open to all members. **Meetings are held at:**

Ski swaps are sort of like community yard sales. Inventory varies throughout the day with incoming items often appearing as fast as old gear sells. Go early for the best selection.

BSC Trips Cancellation Policy

1. The Club does not intend to unduly penalize a trip participant who cancels from a BSC trip. However, other trip participants should not have to incur additional costs due to your cancellation.
2. Deposits and payments made toward the trip reservations being cancelled will be held until such time as a determination can be made that the Club or trip participants will not incur additional costs due to non-recoverable costs.
3. Non-recoverable costs are defined as those that are associated with the trip that due to contractual obligations cannot be recovered when the individual cancels his/her trip. Non-recoverable also include those costs associated with replacing a person or persons on a trip (i.e., name change charges on airline tickets, etc.) Refunds, if any, will be made based on the non-recoverable involved plus a cancellation fee. Cancellation costs will not exceed the cost of the trip. Club cancellation fee will be dropped if non-recoverable costs exceed 50% of the trip cost.
4. Replacement of a trip participant by a trip participant is strictly prohibited. Only the Trip Leader or Assistant Trip Leader can replace a trip participant who is unable to go on the trip. The canceling trip participant may suggest a replacement candidate to the trip leader or assistant trip leader, however the canceling trip participant is responsible for the cancellation fee (if applicable) and any non-recoverable costs.
5. Be sure to know the cancellation dates in relation to the trip you select so that you can avoid monetary losses. The following cancellation policy is in effect in relation to BSC trips. NR=Non-recoverable costs
