Doors open 7:00 pm

There may not be snow on the ground yet, but with the hottest new ski gear hitting ski shops right now, it's time to get stoked about skiing again!

Alan Davis from **Princeton Sports** will be our guest speaker. He will show us how to get ready with some of the best new innovative, advanced technology gear to fulfill the changing needs of consumers.

- lightweight skis
- warm comfortable rear entry ski boots
- warm, light helmets
- step on snowboard boot and binding system and more
